

On the Personal Scene

Philip Michael Moran, son of Pamela (Crowell) and Ricky Moran, was baptized Sunday, Jan. 31, in the Nunda United Methodist Church. Philip was born Sept. 9, 1987, at Hornell.

Recently, Mr. and Mrs. Eddie Jones entertained a company of friends for dinner at their home. The occasion was a celebration of the 64th wedding anniversary of Mr. and Mrs. Howard Hasty who reside at the Nunda Community Home. Other guests included John Jones of Warsaw, Mrs. Bernice Pierce, and Wilmet (Buss) Hooker. The couple were the happy recipients of cards, candy and flowers.

Rev. Judith Sutterlin preached at the York Baptist Church Jan. 31 as a participant in the pulpit exchange under the auspices of TABCOMA.

Mrs. Gordon Smith of Mill Street is a patient in Wyoming Community Hospital, Warsaw.

Yuk Chu, who lives at the Nunda Community Residence on South Church Street, has learned there is improvement in a serious eye condition. This medical news increases the hope that his eye will not have to be removed.

Congratulations to Mr. and Mrs. Stephen Walker on their 20th wedding anniversary.

Mrs. Flossie Bugman of Gibbs Street observed her 94th birthday Sunday, Feb. 7.

Mrs. Anton Selin has returned from a trip to Florida where she visited friends.

Mr. and Mrs. Mark Tilton have moved to Fillmore where they recently purchased a house.

Nunda TOPS Unit Policy is Changed

January activities of Nunda TOPS included a talk on breast cancer by Genevieve Seward, a registered nurse, and a retirement party for Emily Wilcox, who retired from Craig Developmental Center at Sonys.

Two of the weekly programs were about New Beginnings. Members pledged self-improvement and weight-loss goals for 1988.

New members are Bernice Burdick, Debra Michels, Patti Nixon, Gladys Price, and Steve Rauber. Joyce James and Lisa Donnelly were welcomed back.

Debbie Swain and Alena Farmer, with a loss of six and a quarter pounds each, were "Best Losers of the Month." The chapter's net loss for the month was 56 pounds.

50 YEARS AGO

In 1963, 25 years ago, The World Almanac reports, the Kodak Instamatic camera and the muscle relaxer Valium were introduced, and the first commercial nuclear reactor was installed by Jersey Central Power and Light.

The Trinity United Methodist Church of Amherst will be at the Nunda United Methodist Church

Bell Memorial Library Notes

In April of 1988, Bell Memorial Library, perhaps, Nunda's most beautiful public building, will have been in existence for 77 years. It was in 1911 that Katherine Bell Lewis of Buffalo ordered the construction of the brick building located on East Street. Mrs. Lewis deeded the building to the Board of Trustees in 1912 in memory of her mother, Mrs. Juliette Dibble Bell, and her father, Alfred Bell, who had been a former Nunda town supervisor and member of the State Assembly. At the time it was constructed, the building was valued at \$20,000.

Contrary to the impression held by many residents, Bell Memorial Library is not an endowed institution. Its survival depends upon a \$4,000 annual grant from the Town of Nunda, donations or gifts from private individuals, and a small Livingston County Systems grant.

Do you ever wonder (as many have) why this beautiful building housing a wide variety of books, magazines, and other media is open only 18 hours a week? The answer is fairly evident—it is inadequately funded! Have you ever seen the lovely room set aside especially for young children? It's too bad it is not available more hours to the children in this area.

According to statistical projections, our senior citizen population in this country will be on the increase for many years to come. Wouldn't it be sensible to have

more access to the library for persons with more hours of leisure time?

It is almost an overwhelming challenge to the Board of Trustees to keep the library "running on a shoestring." The persons who have agreed to accept this challenge for 1988 include President Dennis Meissel, Vice-president Allan Wallace (with Georgia Ludwig serving as alternate), Secretary Marjorie Ostrum, and Treasurer Charlotte Kernahan. Terry Montgomery has recently joined the Library Board.

In 1911, Katherine Bell Lewis had enough faith in Nunda to give to its inhabitants this building then valued at \$20,000 (and its value has certainly increased). Are we faithful stewards of her gift? Let's hope so and do something about it! Let's keep this bit of much needed cultural influence alive in Nunda. Let's remember this institution when we wish to honor the memory of loved ones and friends, let's remember it when we write our wills, and let's contribute liberally for its annual needs when called upon to do so!—RCU.

First Lady Dolley Madison fled the White House only hours before British troops broke in during the War of 1812—leaving a table set for 40, wine cooling on the sideboard, and plates warming at the hearth, says National Geographic.
